The Margin of Safety

Efficiency is a matter of margin. The winning football player or wrestler or long distance swimmer is the one who has just an extra margin of strength. Your ability to ward off disease depends on your extra margin of health. And your independence and happiness may be determined by that little margin of savings you put regularly away in the City Trust Company.

WATERBURY-WAITSFIELD COW TEST ASSOCIATION

the 512 cows in the association during October 29 were quality cows. A few unprofitable cows were sold, and some stock purchased. W. C. Joslin purchased day until the parade reached the review-some very fine pure-bred Holsteins while a fine pure-bred Guernsey bull, King Chil- ing stand); Mayor J. Holmes Jackson. was purchased by M. H. Moody

Arthur Maxham, of Fayston, has the herd making the best average for October His herd of Grade Jerseys averaged 888 pounds of milk and 39.1 pounds of fat for the month. Mr. Maxham also has the leading low in butterfat production, her rec being 45 pounds in 27 days. The hest record in milk production was made by the Grade Jersey cow, Hazel, owned by W. C. Norcross, at Waterbury Center.

The following table gives the names and records of the cows in the association which produced more than 40 pounds of butterfat or 1,000 pounds of milk during the
